

THE MELGES EXPERIENCE

MELGES 17 : FASTER THAN LIGHT.

The success of the Melges 17 can be attributed to a truly dedicated following of speed entrepreneurs. An alternative, double-handed Scow, it has a reputation for being fast and fun in light or heavy air. The rivalry pairings range from husband and wives, to teamed siblings making the Melges 17 the ultimate family racer! The Melges 17 Experience goes beyond the hull with outstanding product support and service provided across the USA and around the world.

2008

MELGES¹⁷
